IT'S MORE THAN A SCHOOL MEAL APPLICATION

All students at our school receive breakfast and lunch at no cost, regardless of family income, no application needed. What a time and money saver for our families!

While no longer needed for school meals, the Application for Students Benefits is used for so much more than just certifying students for free or reduced-price school meals. By submitting an application to the school, you can help your family and our school access other benefits:

SCHOOL FUNDING

May provide additional grant opportunities and state and federal funding for programs and services at our school.

ATHLETICS

May result in free or discounted fees to participate in activities.

INTERNET ACCESS

May qualify your family for discounted rates on home internet service.

ACADEMIC TESTS

May qualify you for reduced registration fees for AP, SAT and/or ACT tests. May also qualify you for discounted rates associated with college admissions.

Every eligible form counts and adds valuable resources to our school. Submitting your school meal application helps ensure that all students and their families can access these key benefits.

It's easy! Completing an application takes less than 10 minutes and you only need to complete one application per family. Applications are completely confidential and will not be shared outside the school's office. No Social Security number is required. Since your family's financial situation may change from year to year, you should fill out a new application each school year.

Thank you for taking the time to submit your application.
